## 37 Campfield Road

St. Albans, AL1 5HT

Situated on a generous corner plot, this 1930s semi-detached house offers tremendous potential for renovation, extension, or even the construction of a new home to the side (subject to planning permission). Positioned with a detached double garage at the rear—accessed via Roland Street—the property presents an exciting opportunity for those looking to create their ideal home.

The accommodation begins with a porch leading into a welcoming entrance hall, complete with stairs to the first floor and doors to all ground floor rooms. The lounge features a bay window, original fireplace, and exposed wooden floorboards. Adjacent is a separate dining room, also with a fireplace and direct access to the rear garden through large windows and doors. The kitchen is basic but functional, fitted with a range of wall and base units, a rear-facing window, and a side door providing external access.

Upstairs, the first-floor landing gives access to a loft hatch and all bedrooms. There are two generous double bedrooms, each with a fireplace, and a well-proportioned single bedroom. The bathroom includes a roll-top bath, basin, and W.C.

Externally, the front garden wraps around to the side of the house, screened by established hedging for privacy. The sunny, south-facing rear garden is mainly laid to lawn with a pathway leading to two garages and two off-street parking spaces.

Campfield Road is ideally located within walking distance of the mainline train station, a number of popular local primary schools including Fleetville Infants & Juniors, two local parks and all of the local shops and services in Fleetville including a Post Office and Morrisons supermarket.
