198 Beech Road

St. Albans, AL3 5AX

Backing directly onto the scenic Beech Bottom Dyke woodland area, this bay-fronted semi-detached house has been enhanced with a two-storey side and a rear extension, offering generous living space with fantastic potential for further improvement. Requiring some internal modernisation, the property presents an opportunity for reconfiguration or further extension (STPP), and is offered with no onward chain and a modern air source heat pump.

The accommodation begins with double doors opening into a useful entrance porch, leading to a welcoming hallway with stairs to the first floor, an under-stairs cupboard, and access to all principal rooms. The bay-fronted lounge features a character brick fireplace, while the separate dining room enjoys views over the rear garden. The extended kitchen area benefits from a part-vaulted ceiling and an impressive glazed window overlooking the garden, and is fitted with a range of wall and base units, worktops, and part-integrated appliances. A convenient downstairs cloakroom/WC completes the ground floor.

Upstairs, the first-floor landing houses a built-in airing cupboard and leads to four well-proportioned bedrooms. The main bedroom benefits from an en-suite shower room with a cubicle, basin, and WC. A separate family bathroom includes a bath, basin, and WC.

Externally, the property features a block-paved driveway providing off-street parking for two vehicles and a garage with an up-and-over door. A side gate and pathway lead to the rear garden, which offers a paved patio, lawned area, mature flower borders, and a raised flower bed at the rear. Steps lead to a gate with direct access to Beech Bottom Dyke woodland, ideal for nature lovers and dog walkers.

Located approximately one mile from St Albans' vibrant city centre, Beech Road is also within the catchment of highly regarded local schools. Batchwood Golf Course and the Beech Road shopping parade are both conveniently nearby, making this a well-connected yet peaceful location.
