The Old Bakery, 29 St. Michaels Street

St. Albans, Hertfordshire AL3 4SP

A beautifully presented 16th-century Grade II listed period home with garage and off-street parking, set in the highly sought-after and picturesque Conservation Area of St Michael's Village. Perfectly positioned close to excellent local schools, historic pubs, and the open spaces of Verulamium Park and its lakes, this charming home blends centuries-old character with thoughtful modern improvements.

Sympathetically extended at the rear, the property retains its period allure, with exposed wooden beams, timber floors, and a wealth of character features. To the rear lies a private, landscaped 60ft south-facing garden, backing onto the grounds of Darrowfield House and Verulamium Park beyond. A versatile detached brick-and-tile outbuilding offers options for a home office, gym, or studio.

Inside, you're welcomed by a dual-aspect dining room flowing into a generous lounge with feature log burner. The bespoke handmade kitchen, fitted with a range of wall and base units and complementary worktops, leads into a light-filled, triple-aspect breakfast room with part-vaulted ceiling and French doors opening to the garden.

Upstairs are three well-proportioned bedrooms, including a principal bedroom with fitted wardrobes, and a stylish modern bathroom with bath, shower over, basin, and WC.

The garden's paved patio is ideal for outdoor entertaining, leading to a manicured lawn and the detached outbuilding. A covered storage area, wooden shed, and gated access to the driveway complete the picture. The detached garage is equipped with light and power.
