With a generous total area of approximately 845 sq. feet, the property provides well-proportioned accommodation across two floors and is located in the popular village of London Colney.

On the ground floor, the home features a welcoming entrance hall, a bright lounge, and a large kitchen/dining room extending across the rear of the house — ideal for family living and entertaining. There is also additional storage under the stairs and side access to the rear and front of the property.
