PLANNING PERMISSION GRANTED FOR SECOND DWELLING

Royston and Lund are pleased to bring to the market this detached family home set on a plot in excess of half an acre. Nestled within the highly coveted Selby Lane in Keyworth, this expansive plot offers an extraordinary opportunity for both luxury living and strategic investment. With the added advantage of planning permission for a second dwelling in the form of a 4 bedroom detached house, this property exemplifies the best of both worlds. The property benefits from ample off street parking with a gated in & out driveway that leads to a larger than average detached double garage that has entry points to the front & rear.

In brief the property comprises an entrance hallway with storage, a sitting room, dining room, lounge, study, kitchen breakfast room, utility room and a downstairs WC. To the first floor there are three well proportioned double bedrooms, a bathroom consisting of a bath with shower overhead, and wash basin and a separate WC. The two double bedrooms at the rear both benefit from dressing areas and the main bedroom also has an en-suite shower room.

This is a fantastic opportunity for someone looking to potentially add value to a property or hoping to buy a potential building plot.

Total area: approx. 215.2 sq. metres (2316.3 sq. feet)
