Royston and Lund are delighted to market 'Bank Cottage' - a beautifully presented, detached, four-bedroom house in the highly sought after Rushcliffe village of Bradmore.

Split over two levels, the accommodation offers incredible versatility. The entrance hallway gives access to a dual aspect lounge/diner with exposed beams throughout and a feature fireplace. Off the dining area, the recently fitted kitchen boasts a range of base and eye-level mounted units, complete with integrated appliances including an oven, induction hob with extractor hood, dishwasher, sink and fridge. Off the hallway is a downstairs shower room, comprising a shower cubicle with electric shower, WC and wash hand basin. A spacious separate utility room has plumbing in place for a washing machine and tumble dryer, ample cupboard space and a stainless-steel sink/drain. Finally on the ground floor is a versatile second reception room, currently used as a play room but could easily be a home office.

Stairs lead up from the hallway to the first floor, where a large landing gives access to four double bedrooms and a family bathroom. The master bedroom has the added benefit of an en-suite bathroom comprising a WC, wash hand basin and bath with shower. The family bathroom is particularly generous in size, and comprises a corner bath with shower, WC and wash hand basin. To the front of the property a gravel driveway provides off-street parking for multiple vehicles. A larger than average garage with electric roller door, also benefits from power and lighting. To the rear, an enclosed garden is accessed via either the lounge/diner or a side gate, and is mainly laid to lawn, with a decked seating area and patio area to the side with a brick built raised flower bed.
