In our opinion we believe this property offers a rarely available package of an immaculate property set in a truly outstanding location. Some of the most beautiful sunsets will be witnessed from the terrace of this home.

The current owners of this beautiful home lived closeby and always dreamed of living in Cedar Lodge.

Once it became available, they realised the rare opportunity it's location and outlook offered.

They then spent 5 years completely renovating the entire house and garden, along with adding the double garage with gym/office above.

When I asked them about their experience of the house their reply;

"We love the connection the home gives us with nature and the changing seasons, we never grow tired of the incredible views from every room"

"We wanted to have privacy but not to be isolated. We also wanted to be tucked away but within easy reach of good facilities for shopping, eating out, sports facilities, countryside walks, theatres etc. and it delivers all aspects of the lifestyle we enjoy"
