## About Brighstone

Brighstone history dates back to the 9th century when it was given to the Bishopric of Winchester by King Egbert. The parish was formed in 1644 & comprises of the main village of Brighstone together with the smaller villages of Brook, Hulverstone, Limerstone and Mottistone. The entire parish lies within an area of Outstanding Natural beauty and its coastline is designated as Heritage Coast and Site of Special Scientific Interest. St. Mary’s Church, Brighstone is a venerable old church that has stood for more than eight centuries.

The village also features Brighstone Shop and Museum, owned by the National Trust, displaying exhibitions on village life in the 19th century and contains a wealth of information about the Brighstone lifeboats. Brighstone is popular for its thatched cottages, village pub and local shops. Several large events are hosted in the village each year, including the Brighstone Show, Art exhibitions and the Brighstone Christmas Tree Festival

The village is linked to other parts of the island by bus route 12, serving Freshwater, Totland and Newport as well as intermediate villages
