## WELLBEING SERVICE

Residents will be supported by a dedicated Wellbeing Team based on site who are there to help people feel settled, supported and safe.

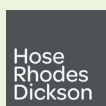

Our team consists of compassionate care and housing professionals who will help residents to maintain independence in their own home.

With strong links to the local community and health and social care practitioners, our team are able to connect our residents to services available in the community.

The team will provide unplanned care in a crisis as well as be on hand to help with day to day activities.

*We are registered with the Care Quality Commission and our Wellbeing Service will be delivered in accordance with regulatory requirements.*

*Our experienced staff are trained to a high standard with appropriate background checks.*
