COMPUTER-LINKED OFFICES THROUGHOUT WEST WALES and Associated office in Mayfair, London

We are delighted to offer for sale this modern and spacious three-bedroom semi-detached property situated in the semi-rural location of Cwmgwili.

Its location offers excellent road links, heading East via the M4 junction 49, which is a matter of minutes away, and road links heading to the delightful market town of Carmarthen and onwards to West Wales' award-winning coastline.

The property benefits to the ground floor of entrance hallway, cloakroom, lounge, kitchen dining area and utility room.

On the first floor, the main bedroom has an en suite, and there are two further bedrooms, a family bathroom, and access to a fully boarded loft.

Externally, the property offers driveway parking for two vehicles with gated access to the enclosed rear garden.

This property has privately owned solar panels and a ground source heat pump for buyers looking for a more sustainable energy supply.

It is situated in the hamlet of Cwmgwili, near the villages of Saron and a short distance from Capel Hendre, which has its post office/stores, places of worship, and public houses. It is a short drive to Ammanford, which provides a good range of amenities, along with a rail link on the 'Heart of Wales' line and very close proximity to the popular retail parks in Crosshands. The county administrative town of Carmarthen is approximately 15 miles, and the M.4 motorway (4 miles) can be joined at Pont Abraham, providing access to the University city of Swansea and, of course, is the main route to the rest of the country.
