*** KEY INFORMATION *** Traditionally built. Mains water, electricity and sewerage are connected—oil central heating (boiler fitted 2024). There are covenants and easements on the title, which we have on file; please request a copy for your information. The plot size measures 4.076 acres, and the land measures 3.527 acres (measured by Promap 20/12/24). There are three gentle downward-sloping paddocks along the lower boundary with a stream. The vendors have a private agreement to graze their horses on neighbouring Council land, which adjoins the property. A proportion of the land is subject to SSSI designation (Site of Special Scientific Interest), a written agreement with NRW (Natural Resources Wales) for land maintenance - for example, restricted grazing rights during winter periods. The Local Authority also replaced most of the stock fencing to the perimeter of the land

connected with the property cut back, removed all scrub, and installed a water trough for horses. The local authority consulted NRW before finalising the menage. A SUDS application for approval of the drainage scheme for the menage is pending approval per Council planning requirements. For this location, according to Offcom, this is the following information: Broadband availability- up to Ultrafast (1800 Mbps), Mobile availability coverage for 02 and Vodafone, limited mobile coverage for EE and Three. Based on the information currently available to the Coal Authority, a mining report is recommended for this property.
