The Agent that goes the Extra Mile

A unique opportunity to purchase this terraced property, which has been converted into two separate flats, in the sought-after location of Carmarthen Town, with good transport links and close to local amenities.

The property would make a fantastic investment opportunity, whether you are looking for two, one-bedroom flats or to rent them out as four rooms with shared communal kitchen and bathrooms. Alternatively you could live in one of the flats yourself and rent out the other, there are so many options available to the new owners.

The ground floor flat comprises; an entrance hall, and reception room, which could be utilised as a bedroom, double bedroom, kitchen, shower room and separate WC.

The upstairs flat is accessed via the shared hallway with stairs leading up where you will find the two reception/bedrooms, which have the added benefit of a loft space in each, the perfect spot for a bed and to use the room as a lounge, kitchen, shower room and separate WC. The upstairs flat also benefits from views over Carmarthen park.

The County town of Carmarthen lays claim to being the oldest town in Wales, boasting a strong Roman heritage dating back to AD c75. Situated on the River Towy eight miles north of its mouth at Carmarthen Bay, the town is the location of the headquarters of Dyfed Powys Police, the Carmarthen Campus of The University of Wales, Trinity Saint David and The West Wales General Hospital. The town is well served by numerous primary schools and two secondary schools offering education through the medium of Welsh and English. The former cattle market in the heart of the town has undergone massive regeneration and the new shopping centre now houses most high street names, a Vue Cinema complex, restaurants, bars, and a multi-storey car park. The town is also served by direct intercity trains from West Wales to London.
