We Say...

This stunning Grade II, stone-built, four bedroom property dates back to the 18th century. Formerly part of a working corn mill, it has been lovingly restored with a perfect blend of modern style and an abundance of character. It is set in beautiful riverside gardens and located in the picturesque semi-rural hamlet of Middle Mill, nestling in the sheltered valley of the River Solvach, around a mile from Solva.

Entry into the attractive The Corn Mill is via the farmhouse style kitchen, complete with range cooker and stylish granite work surfaces. Just off the kitchen there is a handy walk-in larder, a sitting room with double doors opening onto the garden, and a corridor leading to a shower room with a utility area. There are fabulous character features including original exposed beams, quarry tiles, slate sills, and stonework in many parts of the property. Stairs from the sitting room lead up to a family bathroom on the mid-level and on to four double bedrooms on the first floor, one of which is a master suite with a dressing area and an en-suite bathroom.

This unique property retains many original character features, is beautifully presented and is set in the most tranquil of areas, yet close to the coastal harbour village of Solva and all it has to offer.

The sought-after village of Solva, in the heart of the Pembrokeshire Coast National Park, offers wonderful opportunities for boating enthusiasts and walkers, as well as restaurants, cafes, public houses, shops, galleries, doctors' surgery, and primary school. It is some 12 miles North West of the county town of Haverfordwest and 3 miles from St Davids, with its famous Cathedral and ruined Bishops Palace, and is within easy reach of some of Pembrokeshire's most popular sandy beaches, such as Newgale and Whitesands.

DIRECTIONS

From our Haverfordwest office take the A487 towards St Davids. Enter the village of Solva, over the bridge, and turn right at the Cambrian Inn. Continue on this road for approximately 1 mile. Turn right over the bridge at Middle Mill, and the property can be found immediately on the left-hand side.
