An opportunity to purchase a building plot with outline planning permission approved for the erection of two detached dwellings, with vehicular access. The plots are located on the periphery of Saundersfoot village, convenient to amenities, public transport links and approximately 0.8 miles to the beach and harbour.

The vendor advises that the plots measure approximately 35 metres x 25metres and 25metres x 16 metres each, and the planning permission approves dwelling to be build under the following parameters:
Main Building
Length between 9.5 – 10 metres max. Width between 7.5 – 8 metres max. Ridge height between 7.5 – 8.4 metres max.
Rear wing
Length between 5.5 – 6 metres max. Width between 4.5 –5.5 metres max. Ridge height between 5.5 – 8 metres max.
Garage side wing
Length between 3.75 – 4 metres max. Width between 7.5 – 8 metres max. Ridge height between 6.5 – 6.9 metres max

Please note that an S106 agreement states that an affordable house must be built in line with RSL and handed to the local authority. There may be an option for ATEB/PCC to take the plot for the affordable property unbuilt - this would need to be agreed with the new owner and the RSL company.

Viewing is highly recommended, and further documents are available on request.

Saundersfoot is a fishing village and popular seaside resort. Located at the foot of a picturesque wooded valley its appeal is due to the superb sandy beaches and the attractive harbour, which provide unrivalled opportunities for water-sports, beach games, fishing and simply messing about in boats. Saundersfoot also provides easy access to Amroth where the beach is the starting point of the 186 mile Pembrokeshire Coast Path. Nearby is Colby Woodland Gardens, owned by The National Trust.
