We Say...

A four-bedroom detached house set over four floors and located in an elevated position with amazing views over Saundersfoot village and the sea beyond. The property benefits from gas central heating and double glazing and would make a wonderful family home. The accommodation briefly comprises: Entrance porch, hallway, a bed/sitting room and WC on the ground floor. Stairs lead down to the lower ground floor lounge with full height windows to the rear and door out to the terrace and those fabulous views. The lounge is open plan to the dining area and from here you enter the kitchen, utility room, and separate breakfast room. Stairs lead up to the first floor with a family bathroom and a master bedroom with en-suite shower room. The windows stretch across the bedroom to a door out to your own private balcony with fantastic sea and countryside views. The stairs continue up to the second and final floor, where there are two double bedrooms.

The front of the house has a lawned garden to one side, driveway parking for two vehicles, and the garage on the other side. There is a side garage door as well as the main car entry plus the garage can be accessed from inside the house via a door from the breakfast room where the vendor installed a short lift to reach the higher level of the garage. The paved terrace with glazed balustrade at the rear of the lounge has an impressive view and extends the living area from inside to out, perfect for entertaining. Steps at the side of the terrace lead down to the pergola and a further few steps, down to the lawn below. The enclosed lawn is bordered by pretty flowers and shrubs and the perfect place to catch the morning sun.
