 Four/Five Bedrooms Well Presented • Good Size Garden • Ideal Family Home • EPC Rating: E

f

Situated in the town of Whitland early viewing is highly recommended to appreciate this substantial four/five bedroom detached house that is full of charm and character offering ample family accommodation. Newark is positioned on an extremely large plot, we have been informed by the current owner that detailed planning had been in place to erect a detached four bedroom house in the grounds of the property (Planning application number W/21094) that has now lapsed but could be reapplied for, providing potential purchasers with the opportunity to sell as a building plot.

The property is extremely well appointed that briefly comprises: Entrance hall, lounge, sitting room/bedroom, kitchen/diner, utility room, store room, shower room. On the first floor there are three bedrooms and a shower room. Positioned on the second floor is a further bedroom, bathroom and store room. Externally: Good size garden, workshop and ample driveway parking.

### LOCATION:

Whitland is a small town situated approximately 15 miles from Carmarthen. The town borders the river Taf, and the county of Pembrokeshire. The Taf can be fished with a permit, available locally. Whitland is fortunate to have its own railway station right in the town, with direct links to London, and the north, as well as local services. Whitland has 2 thriving schools, Post Office, shops, businesses, 3 pubs, cafe, and a restaurant just outside the town. Whitland also has the well known Hywel Dda interpretive centre, and just outside the town is Whitland Abbey, which can be seen by using the many footpaths that surround Whitland, especially the famous Landsker line.
