Torbant Farm House is a versatile semi detached house located at the end of a private road, enjoying rural surroundings and countryside views. The property is currently trading as a bed and breakfast during the seasonal months, so would suit either a business venture or would suit as a large family home that can cater for multi-generational living.

The property is currently separated into two units, the main house with a total of six bedrooms (some with en-suite facilities), including a self contained flat on the first floor with a kitchen and bathroom. The main property offers both guest accommodation and private quarters, with plenty of Utility/Storage space required for running the business. At the rear of the property is a two bedroomed self contained annexe, with a further kitchen, bathroom and living room. The entire property totals eight bedrooms, three reception rooms, three kitchens, and five bathrooms, to be configured as required.

Externally, the property is located at the end of a private road with a shared driveway providing ample off road parking. There is a further car/port garage space, proving extra parking or would be handy for work or storage. The entire plot measured approximately 0.6 acres, mostly consisting of lawned gardens with a chicken run, patio seating area and a feature pond. Views can be enjoyed from most aspects of the house and garden.

With excellent potential, this extensive property must be viewed to be fully appreciated!
