Description

Welcome to Johnston Farm, a versatile Multi-Unit Property with Annex, Additional Cottage, Outbuildings, and Gardens. Set within half an acre, this is an excellent opportunity to acquire a flexible and well-laid-out property comprising a two-bedroom main cottage, a two-bedroom annex which could be utilised as part of the main accommodation, and a further semi-detached two-bedroom cottage.

The main cottage was built in the early 1800's and includes a central living area with a log-burning stove, providing a practical focal point. There are two double bedrooms, a dining room with original bread oven, kitchen, utility room, and two shower rooms. The annex and additional cottage offer independent accommodation, both with two bedrooms - ideal for multi-generational living, guest use, or potential rental income (subject to necessary permissions).

Externally, the property benefits from a variety of sheds and outbuildings, providing useful storage or workspace options. A detached red brick unit offers the potential for a further residential dwelling, subject to necessary planning consent. A garden area and a separate paddock offer defined outdoor space, and there is ample off-road parking available on site.

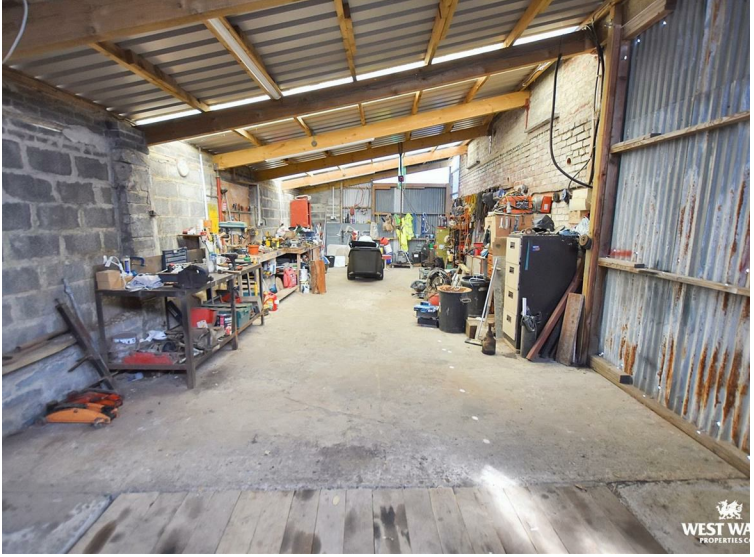

To fully appreciate the potential of this rare opportunity, viewing is highly recommended!

The village of Johnston is located some 3 miles south of the County Town of Haverfordwest, on the way to Milford Haven, Neyland Marina, and the Cleddau Bridge, which gives access to Pembroke and South Pembrokeshire. The stunning Pembrokeshire coastline is within easy reach, with beautiful sandy beaches at Marloes Sands, Broad Haven, Freshwater East, and a host of others. Haverfordwest has a wide range of amenities including Main Line Train Station, Hospital, Leisure Centre and Swimming Pool, Cinemas, Primary and Secondary Schools, Sixth Form College, Supermarkets, Retail Parks etc., whilst Johnston itself has a Primary School, train station, shops, doctor's surgery etc.
