The Agent that goes the Extra Mile

The Coach House is a beautifully presented semi-detached cottage located approximately 1.5 miles away from Pembrokeshire's county town. This property oozes charm and originality and would serve perfectly as an enviable family home, holiday let, or a home to enjoy retirement.

The layout of the property briefly comprises of an open plan kitchen/diner with family area and a wood-burning stove, a cosy living room with a further stove and arched French doors to the rear, a bathroom served by both a bath and a separate shower unit, two bedrooms and a utility room which has previously been used as a fourth bedroom. Stairs from the living room lead up to the master bedroom on the first floor, boasting two walk in wardrobes and access via an external staircase. Whatsmore, a pull down ladder in the third bedroom leads to a boarded attic room which is currently utilised as a home office or would offer fantastic storage space. The property is served by hardwood glazing and oil fired central heating. The decor is finished to a very high standard in rich tones and attractive patterns.

Externally, there is a pretty cottage garden to the front, laid to lawn with raised vegetable plots and a patio seating area served by a log store and pizza oven. A gravelled driveway provides ample off road parking. There is also a 12x6 storage shed come workshop.

This is a unique and exciting prospect for someone looking for a property convenient for town but away from the hustle and bustle. A must see!

The market town of Haverfordwest has numerous facilities and amenities on offer, which include a good range of shops, retail parks, primary and secondary schools, sixth form college, hospital, mainline train station, new leisure centre/swimming pool, cinema, restaurants and pubs. The beautiful Pembrokeshire coast is only 6 miles to the south-west, at the long sandy beach of Broad Haven, and the famous surfing beach of Newwaale 7.5 miles to the northwest.
