We Say...

This newly built executive home boasts a striking glass frontage, offering breathtaking panoramic views of the Cleddau Estuary. Designed for modern and spacious living, the property features four well-appointed bedrooms, an open-plan living area, and a dedicated drying room.

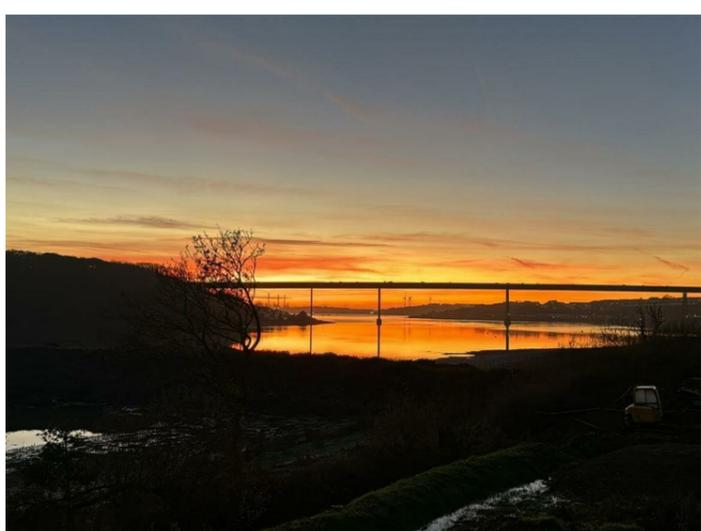

The thoughtfully designed layout comprises an inviting entrance hallway, two stylish reception rooms, a contemporary kitchen, a rear porch, a cloakroom, a drying room with a dehumidifier installed and a convenient downstairs bedroom. A feature staircase leads to the first floor, where a mezzanine landing overlooks the entrance hall below. The master suite is a luxurious retreat, complete with a dressing room and en-suite bathroom. Two additional double bedrooms and a beautifully finished family bathroom complete the upper level. The master bedroom, landing and a further double bedroom benefit from large patio doors that lead onto a private, bespoke composite millboard decking area! Perfect for soaking up those views of the waterway.

Externally, this exceptional home is set on a generous plot along the waterfront, providing unparalleled views of the estuary, the iconic bridge, and mesmerizing sunsets. The front aspect features a landscaped lawn and a spacious driveway with ample off-road parking, leading to an integral double garage with an electric roller door and electric car charging facility. To the rear, glass doors from the reception rooms open onto an elevated patio—perfect for alfresco dining—overlooking a further lawned garden that extends to the water's edge where there is potential for a boat house, subject to necessary planning.

Finished to the highest standards, this stunning property offers an enviable lifestyle in a truly spectacular setting. This eco friendly home boasts under floor heating on both floors all rooms individually controlled while benefiting from 14 solar pannels with installed inverter to feed batteries.
