Bayview offers a rare opportunity to complete a home that already blends character with potential. Thoughtfully partially renovated by the current owner, key upgrades - such as electrical systems, plumbing, and heating - as advised by the vendor - have already been completed, providing a solid foundation for further enhancement.

There is exciting scope to extend the property to the rear (subject to the necessary permissions). The vendor has drawings and received positive pre-planning feedback from Pembrokeshire County Council, making this an excellent prospect for those looking to add space and value.

Perfectly positioned in a sought-after location, Bayview enjoys excellent transport links and close proximity to local amenities. From the first floor, you can take in estuary views, adding to the property's appeal.

The garden features a lovely summerhouse complete with its own outdoor bathroom—ideal for guests, a home office, or a creative space.

Whether you're seeking a home to make your own or a project with real potential in a prime location, Bayview is not to be missed.

The property offers a vestibule, hallway, two reception rooms, kitchen and utility area with W.C to the ground floor, with the first floor having three bedrooms and a bathroom.

Externally, the property has an enclosed rear garden, a summer house and access to the garage. To the front of the property is a driveway, garage and garden.
