

YORKSHIRE
HOUSE

An inspiring place to work

*Modern offices from
882sqft*

Stylish and contemporary office space in the heart of Liverpool's business district

With spacious and flexible floor plates, Yorkshire House offers an environment that is an inspiring place to work.

The building provides high class accommodation with beautiful architectural details combined with a stunning modern interior.

The new owners of Yorkshire House have embarked upon a major refurbishment of the building, including new entrance, foyer, enhanced common areas and refurbishment of available office floors.

In the heart of the business district

Yorkshire House provides bright contemporary office space. The building offers flexible suites of high quality office accommodation with stunning views towards the River Mersey.

Transport links are superb and the building has onsite parking in the basement.
