Move Estate Agents are delighted to market this exquisitely refurbished Victorian house in the heart of Churchdown Village, now arranged as ten, one and two-bedroom apartments. Each apartment has been sculpted in its own way and finished to a high standard throughout by the well-renowned developer. Due to their versatility, there is a suitable property for every buyer.

Sandfield Court has been extended, fully remodelled and finished to the very highest standard, with each contemporary apartment providing open-plan living and a parking space. Churchdown is a popular village ideally positioned between Gloucester and Cheltenham, providing excellent access whilst offering all you could need within the village. Directly opposite is the highly regarded Churchdown Village School.

The apartments are spread across three floors with an even mix of individual one and two-bedroom properties. Six of the apartments are within the old original building and as a result, some boast features such as bay windows and high ceilings. The developer has retained and restored as many of the original features providing a unique offering. The remaining four apartments are in the extension to the rear of the building. All apartments are double-glazed and have gas central heating.

Externally there are wonderful communal gardens and allocated off-road parking.
