The living space boasts a modern family area with striking Wren dark grey matte kitchen units, a matching island, Belfast ceramic sink finished with white Quartz worksurfaces. The space further benefits from pantry cupboard, and utility cupboard which ensure convenience. Stunning chevron light oak engineered flooring combines with Denines Farrow and Ball painted accent skirting and doors adds a sense of unified interior design whilst the slight change in colour coordinates with the kitchen. Level access out to the south facing decking through double doors as well as side access to the external garden store.

The separate lounge/snug offers a cosy retreat with a Contura log burner, white washed exposed floorboards, finished Lick Green O2. Bedroom 4/office features chevron engineered oak flooring, mirrored from the kitchen, alongside paneling and Lick Teal A2 paint, adding character and versatility. The family bathroom offers a separate freestanding bath and corner shower unit.

To the first floor the naturally lit landing leads to three further bedrooms and a family shower room. All the upstairs bedrooms feature herringbone engineered oak flooring. Bedroom one is generous in size and includes a freestanding exposed wardrobe, eaves storage and window with a south-facing view over Tretherras Valley. The upstairs shower room features Lusso sanitary ware, a walk-in shower and a Velux window. Bedroom two offers a Velux window with views over Newquay allotments, and a built-in wardrobe. Bedroom three features a built-in wardrobe, and a Velux window with views towards the viaduct.

Additionally, accents such as gunmetal light switches and designer matte black radiators add to the property's contemporary aesthetic.

## The Annexe

The property also includes a one-bedroom annexe, that has the potential for income as well as for multigenerational living. With an open-plan living space, featuring a kitchenette and roof lantern, completed by a separate shower room, and the bedroom. Whilst it does have a separate access there is a lockable internal connection to the main residence.

## Externally

As the property is situated on a corner plot it has generous enclosed lawned garden, by contemporary fencing and maturing Laurel hedging, the majority of the garden is above road level thanks to the retaining cornish stone wall that provides further privacy.

The south facing raised decked area is ideally situated off the living space through double doors making it perfect for alfresco dining and entertaining in the summer. From the decking access into the further landscaped garden with non-invasive bamboo and low maintenance ferns provides access around to the garden store.

To the front is a driveway providing off street parking for numerous vehicles as well as access to the main residence and annexe.
