Summary

Recently constructed and superbly positioned, modern Bloor-built three bedroom detached residence set in the highly desirable suburb of Mickleover.

This is a fabulous opportunity to acquire an extremely well positioned, modern three bedroom detached residence built by Bloor Homes to the Staunton design and benefits from uPVC double glazing and gas central heating with a spacious entrance hall, fitted guest cloakroom, lounge with open views and dining kitchen with integrated appliances and French doors opening onto the private rear enclosed garden. The first floor landing leads to a master bedroom with fitted wardrobes and en-suite shower room, two further bedrooms and well appointed bathroom.

The property's location is particularly appealing, located at the end of a shared driveway culminating in car standing. A further driveway down the side of the property provides parking for two vehicles and access to the single garage.

To the opposite side of the property is an open lawn section bordered by post and rail fencing. Immediately to the rear of the property is a private rear garden bound by closed slat timber fencing featuring lawn and patio/terrace.

F&C

The Location

The property's location is set on this popular estate which retains a well established feel due to open green areas and mature trees. A children's play area is within easy reach as well as meandering pathways, ideal for exercise and pleasant walks in the area, including the Mickleover Railway walk which leads to Etwall. The village centre provides a varied selection of amenities including a large supermarket, a selection of shops, restaurants, petrol station and a regular bus service into Derby City Centre along with enviable schooling at both primary and secondary level. conveniently located also for ease of access to major transport links.

Outside

A particularly impressive feature of this property is the fabulous plot in which the property stands, located at the end of a shared block paved driveway culminating in two car standing spaces in front of the property. A tandem driveway down the side of the property provides two further parking spaces and access to the single garage.

The rear garden features a good sized lawn, closed slat timber fencing and stylish terrace/patio. The garden offers an excellent degree of privacy.

We would point out that the property benefits from owning further land to the side with a lawned section between the closed slat timber fencing and post and rail fencing.

Please note there is potential to extend the rear garden to the post and rail fencing (subject to any necessary planning permission required).
