Summary

Highly efficient Eco Home constructed in 2019 occupying a highly desirable location in Allestree Old Village, backing onto an attractive recreational ground.

This is a rare and exciting opportunity to acquire a recently constructed Eco Build in a sought-after residential location. This super insulated home benefits from A rated Energy Performance, triple glazing and solar controlled glass; the current occupiers ran the house over a twelve month period for approximately just £500.

In brief, the accommodation comprises on the ground floor: spacious entrance hall with cloaks cupboard and plant room, fitted guest cloakroom, study to the front and stunning full width open plan living space to the rear with utility off. The first floor landing leads to a master bedroom with dressing area and large superbly appointed en-suite bathroom, two further double bedrooms with en-suite shower rooms and a fourth bedroom currently being used as a living space offering potential for an en-suite or the creation of a Jack and Jill bathroom.

To the front of the property is a gravelled driveway providing access to the large integral garage with remote door. To the rear of the property is a landscaped enclosed south-facing garden with upper-level composite decked entertaining/seating area ideal for alfresco dining, a further sunken seating area ideal for a firepit and a good sized lawn with raised wood-edged beds along with direct access onto Allestree Recreation Ground.
