- House with Building Plot • Planning Permission for Two New, Three Bedroom, Semi-Detached Homes with Driveways & Garden • Close to an Excellent Range of Amenities • Existing Detached Home • Benefits from Driveway & Garage • Popular Residential Location • Viewing Recommended • Planning Reference - 24/01435/OUT • Application Reference - PP-13436974 • A Rare Opportunity

A rare development opportunity to acquire an attractive, three bedroom, detached residence requiring modernisation sold with the benefit of a building plot, with planning permission granted, in the adjacent garden for two new semi-detached homes.

This is a rare and interesting development opportunity by way of an existing three bedroom, traditional, detached residence on a quiet cul-de-sac location on Heath Avenue. The existing property requires modernisation and planning on the proposed two new semi-detached homes adjacent will be subject to alterations to the existing property so that the land/new homes are not overlooked by the principle windows of the existing dwelling at 15 Heath Avenue. Further details can be found on the planning portal. The application reference is 24/01435/OUT. The planning portal reference is PP-13436974.

The two new, proposed semi-detached properties would comprise entrance hall, fitted guest cloakroom, dining kitchen to front, rear lounge with bifold doors overlooking the garden, adjacent tandem driveway with three bedrooms and a bathroom to the first floor.

We believe the proposed semi-detached properties will be highly desirable in this popular and convenient residential street located in the heart of Littleover village centre.

The proposed alterations to the existing house would create the following accommodation: entrance hall, fitted guest cloakroom, an east facing lounge with snug, open plan dining kitchen with access onto rear garden and utility room. The first floor will comprise a master bedroom with en-suite shower room, two further bedrooms and a principle bathroom.
