Summary

A most impressive, newly constructed, four double bedroom, detached residence occupying a fabulous location on Ingleby Road in the highly desirable village of Stanton by Bridge.

This is a rare and exciting opportunity to acquire a newly built, quality detached residence in a particularly favoured residential location in the highly desirable village of Stanton by Bridge. Properties rarely come up in this village and this one is particularly well situated opposite the impressive church on Ingleby Road.

The property is sold with the benefit of no upward chain and benefits from air source heating with entrance hall, fitted guest cloakroom, sitting room, open plan reception areas situated off the dining kitchen and utility room. The first floor semi-galleried landing leads to a principle bedroom with French doors and Juliet balcony to rear offering impressive views, dressing room and superbly appointed en-suite bathroom, a further double bedroom with en-suite shower room, two further double bedrooms both with French doors incorporating Juliet balconies offering impressive views and a separate well-appointed shower room.

Outside the property benefits from an extended patio/terrace to the front and side, composite decking to the rear, ideal for outdoor dining and entertaining. These, in turn, lead to a plush lawn with mixed hedging and mature trees. The garden sits next to an attractive pony paddock. Access to the property is via a gravel driveway, which is soon to be tarmacked. Please note there is space ideal for a detached garage which could be erected and planning permission has been granted for this.

Outside

The property occupies a fabulous location, tucked away down Ingleby Road, set amid attractive open countryside and located opposite the village church. The rear garden offers a high degree of privacy and features a composite decked area, accessible from three different sets of French doors, which is ideal for outdoor dining and entertaining whilst enjoying views over the good sized lawn. There is hedging, mature trees and neighbouring pony paddock.

To the front and side of the property there is a further terrace/patio featuring brick retaining wall. The garden is well screened from the road behind mixed hedging and currently features a gravel driveway (which the vendors are going to tarmac) with space for the erection of a garage (planning permission granted). The property also features ornamental lighting, outdoor cold water hose tap, outdoor power and a ramped access to the main entrance door which is beneath an impressive storm porch. There is also an electric vehicle charging point outside the utility room.
