About the property

This Victorian family home is perfectly located within striking distance of Ipswich's town centre amenities, as well as providing comfortable access to both the A14 & A12 trunk roads. The property's well appointed accommodation (2357 Sq Ft) is set over two floors & has a generous sized outside space which would easily fit a growing family; the total plot length is around 235ft. There are 5 bedrooms, one of which is currently being utilised as a 'work from home' space for the owners & has its own spiral staircase. On the ground floor there are 2 principle reception rooms, both with ceiling heights in excess of 10ft. There is a large kitchen/diner, a utility room which was newly fitted around 2 years ago & a shower room that was newly fitted just over a year ago. As well as the bedrooms on the first floor there is a modest family bathroom & ensuite shower room that benefits from a 'Jack & Jill' entrance accessed by the two largest bedrooms. The property is located within a conservation area and has recently installed double glazed windows. Many period features have been retained by the present owners including ceiling cornices & sash windows. The central heating is mains gas & we have been informed the boiler is around 8 years old.

Outside

The house is well shielded from the road at the front by a combination of mature trees/hedging & a brick built wall. There is a well kept lawn area & a gravel driveway provides ample off road parking. There is also a charging point installed. A small gated courtyard is located to the left of the entrance door. At the rear, there is a large courtyard flanked by the kitchen/diner & cinema room. Steps lead off from the courtyard to a large area which is laid to lawn, has mature trees/shrubs & is enclosed by a brick built garden wall & timber fencing.
