£295,000

About the property

An impressive three bedroom extended double bay style home offered for sale with off road parking and a pleasant rear garden. This stylish home, which dates back to the 1930's, offers very well presented and generous living space and is well located in the Copleston School Catchment area of the town. Inside the property, there is an inviting hallway with the stairs leading to the first floor and doors leading into the kitchen and living area's. The kitchen has a light and bright feel and is fitted with modern white units with space for an American style fridge/freezer and an integrated ceramic hob, double oven and extractor. There is also space for a washing machine, tumble dryer and dishwasher. The living room and dining area are separate but can be enjoyed as one space and there is a wood burning stove. There is also a useful downstairs WC. On the first floor there is a superb bathroom suite with a jacuzzi style bath and separate shower cubicle along with three bedrooms, two of which are doubles and one single.

Outside

To the front there is a block paved parking area providing off road parking. The rear garden is around 50ft in length and includes a good sized paved patio terrace providing the ideal space for "alfresco dining". The remainder of garden is laid to lawn with a secure storage shed with power and light, and a covered paved area with space for a hot tub. Rear gate access to a concrete hardstanding area which we understand the previous and current owners have used to park uninterrupted during their residency however, there is no official ownership attached to the house. There is also a raised garden pond ideal for koi carp.

Useful info

The property has mains gas, water, drainage & electricity connected. The heating is gas fired via radiators, (no services have been tested by the agents). The council tax band is B with the local authority being Ipswich Borough Council, Grafton House, 15-17 Russell Road, Ipswich
