About the property

A substantial and well presented 5 bedroom detached home set in plot approaching 0.5 acres (sts) together with a detached double garage and about 2,800sq.ft of accommodation. The property forms part of a small development on the outskirts of this popular village which is located about four miles from Hadleigh. A welcoming central hall with oak flooring extends into the snug, office and living room where the latter provides double doors onto the rear patio and a fireplace housing a wood burner. The kitchen includes stylish white cabinets with extensive quartz worktops with integral appliances which includes an induction hob, twin double ovens and a central work 'island' with integrated sink and seating area. The lantern roof extension to the rear opens the kitchen up into a wonderful family/entertaining area with Bi-folding doors to the rear and side which open fully onto the garden and paved patio. The remaining ground floor consists of the utility room which provides additional work surface space, plumbing for a washing machine and dryer and a sink. In addition, there is a ground floor WC. The first floor offers four double bedrooms with bedroom one and two having their own ensuite shower rooms and also enjoying fine views over the rear garden and beyond. Bedroom three and four face the front with bedroom three having twin built in wardrobes. There is also a generous sized family bathroom, which is fitted with bath with shower over. On the third floor is the fifth bedroom which would ideally suite a teenager who wants their own space as it offers a bedroom area along with a small living room. There are also built in wardrobes.

Outside

Outside, the house is tucked away at the end of the cul-de-sac with a driveway offering ample off-road parking. Adjacent is a detached double garage with twin doors.

To the rear there is a private and well-maintained principal garden along with a large paved paved terrace, which benefits from a south-west facing aspect. Immediately to the rear of the principal garden is the remainder of garden which is laid to lawn and around 0.35 of an acre (sts).
