Whitecliff is a favoured location for family houses and this stylish home is sure not to disappoint. Situated on the corner of Whitecliff Crescent and Sandbanks Road, this beautiful home is in the catchment area for Baden Powell and Lilliput First Schools.

The area ticks highly for being in easy reach of the glorious sandy beaches of Sandbanks which are only a couple of miles away and Whitecliff Harbourside Park is just at the end of the road.

The property is close to a choice of local shopping parades at nearby Whitecliff and Lilliput and there are great eateries nearby.

The house is, in our opinion, perfectly proportioned and has been tastefully extended and remodelled by the current owners to offer flexible living accommodation set over just two floors, with a downstairs bedroom and bathroom if required.
