COMMERCIAL VENUE AND LICENSE

PINETA CLUB FORMENTERA

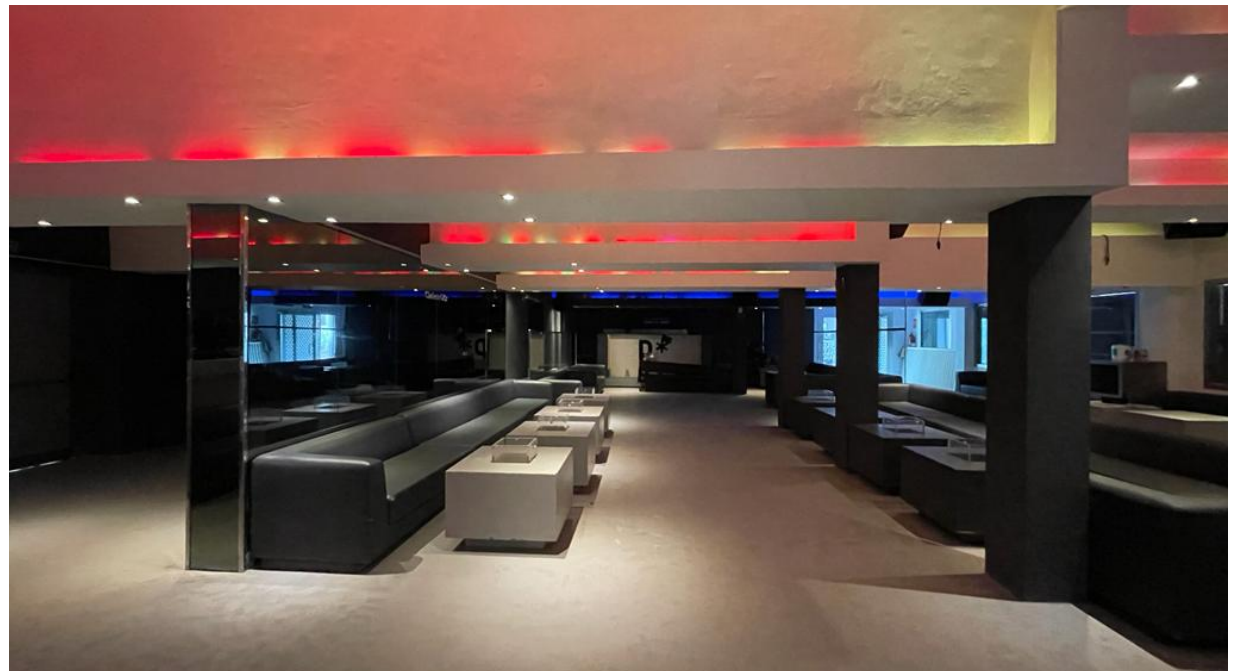

Located in the centre of Es Pujols, it was inaugurated in July 2011 and thanks to the professionalism of the managers it has become one of the most fashionable places on the island. The interiors are elegant and attention to detail, not even the selection at the entrance is often rigid!

The Pineta club is the ideal disco for those looking for a bit of social life and want to listen to good music. Open until 6 am, international DJs such as Bob Sinclar, Skin, Boy George, David Morales and many others are often alternated. For more information on the evenings visit the Pineta Facebook page.
