**C 20 FORMENTERA
2 BEDROOMS HOUSE
FORMENTERA**

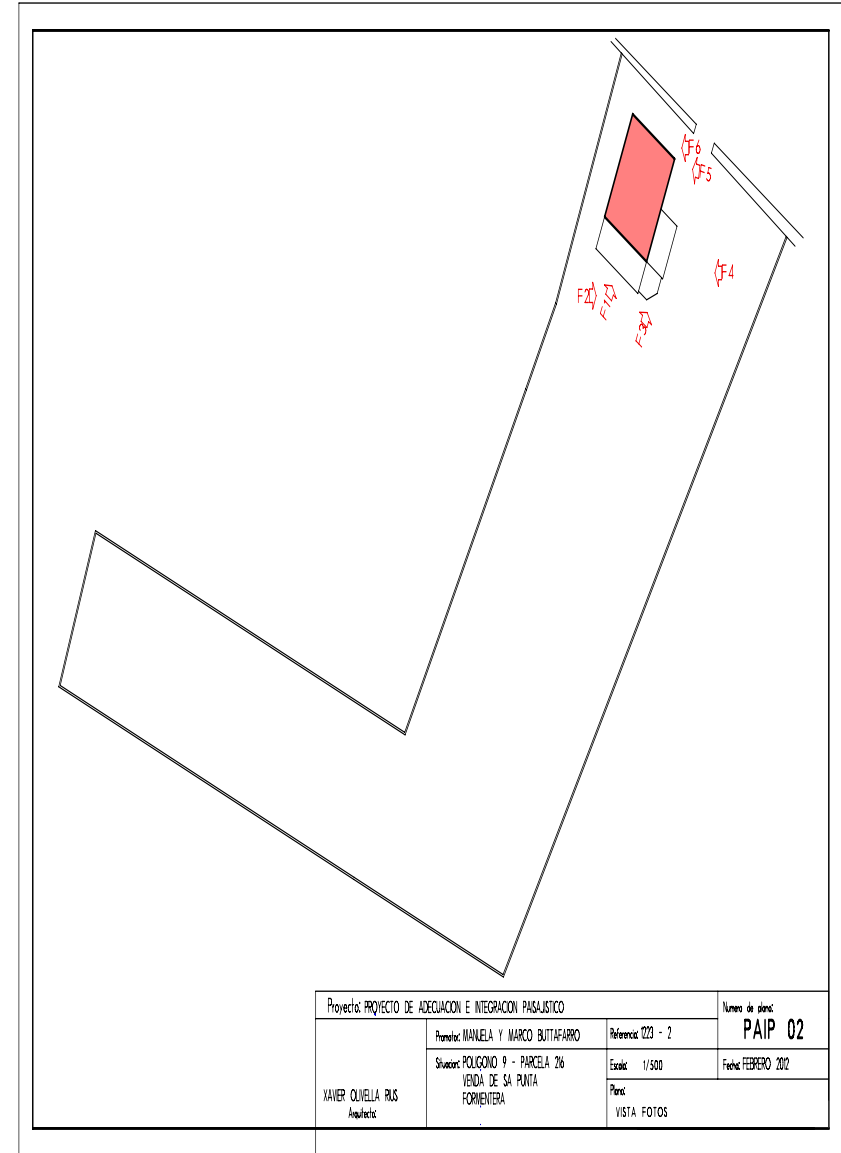

This charming property is located close to the tourist centre of Es Pujols and 1 km from the centre of San Fernando, a lush town on the island of FORMENTERA.

The house lays in a quiet area and it would need to be completely refurbished.

It has very interesting spaces, a large living room with an open kitchen, 2 bedrooms and two bathrooms. The house has large doors and large windows that give a lot of light to the interior of the living room and that open onto a terrace that surrounds the house, which makes outdoor living very pleasant.

The house is surrounded by a nice sized garden with maritime pines.
