THE VILLA

This villa has just gone through a complete renovation project with tasteful spaces and local furniture to give it the best Formentera vibes. It has been professionally redesigned with great taste.

4 double bedrooms, fully equipped kitchen, good size living room and 4 bathrooms.

Fully decorated by one of the best interior designers of the island this property is desperate to be embraced by a new owner.

OUTSIDE/GARDEN

Outside there are many terraces and a project to instal a private swimming pool. The covered area with integrated barbecue corner, offers shade on hot summer days and plenty of space for cosy dinners with family or friends. Many separate sitting areas and sun terraces offer places to relax and unwind. A special highlight of this property is the close access to the beach, the bathing bays of Cala Saona and Punta Rasa.

Just a few minutes along the sea line and you are on the beach enjoying the sun, it gives the impression of being in an oasis of peace outside the world.

Pure holiday romance!
