House 140 sqm

Features Terraces and Patios, solar panels  
Sea View

Formentera Vacations by Laffittacase presents this beautiful Villa surrounded by local vegetation and just a stroll away from the white sandy beach of Es Carnage.

The house has plenty of garden space, and it is very well kept. The property is fully gated and presents a total of 3 bedrooms and 2 bathrooms.

Immediately entering the house we find a fully equipped kitchen with new appliances.

The bright living room is divided into 2 areas, the first being the dining space with a large table, and the second one with comfy sofas and chill area.

The room also has a wood log fire stove ideal for the winter months.

At the back of the house we have two very large double bedrooms and one bathroom. The back room adjacent to the living room has a fantastic view of the country side.

At the end of the front patio a beautiful wooden antique door takes you to an annex currently used as a studio complete of a bathroom.

A very useful laundry room with washing and drying machines is situated outside.

The front and back garden have been decorated with attention to details and present hammocks and outside furnitures for al fresco dining. 2,000 sq m of garden.

Turist licence in place.

the property has gone through a full renovation just a few years ago and within all features it presents solar panels for water purposes, internet fast wifi, water well with desalination plant, video intercom and insulated floors and ceilings.

A wonderful Villa.
