Casa Cueva del León | Elegant Formentera Retreat with Garden and Terrace

Situated in Mitjorn, close to the charming village of Sant Francesc, Casa Cueva del León is a beautifully renovated residence that blends traditional Formentera architecture with modern comfort. Surrounded by a large private garden with a barbecue area, this inviting property offers both tranquillity and convenience, with shops, cafés, and restaurants only steps away.

The house features **five spacious double bedrooms**, including a delightful upstairs suite with its own kitchen, bathroom, and a lovely covered terrace—perfect for enjoying peaceful island evenings. In total, the property offers **three modern bathrooms**, some with double sinks, ensuring comfort for larger groups or families.

The main kitchen is fully equipped with an oven, hob, dishwasher, and American-style refrigerator, while the elegant open-plan living and dining area have direct access to a shaded patio with an outdoor dining space.

Additional features include air conditioning throughout, a beautifully kept garden and a shed very useful for storage. Large space for parking and easy access to the island's best attractions. Casa Cueva del León truly is the ideal base for your island escape.
