24/25 Academic year income - £48,459

Overview

Here we have a great opportunity for investors to add to their portfolio! For sale is a terraced student HMO property that's in good condition throughout and ready to provide a steady stream of rental income. This property, located in a thriving area with strong local community ties to both Nottingham Trent University and The University of Nottingham. It has been well-maintained and features seven double bedrooms, perfect for welcoming groups of students in, each academic year.

The property is specifically designed to cater to student life. Each of the seven bedrooms is spacious enough to accommodate a double bed, while still providing ample room for personal belongings and study space. The rooms are spread across the home's three floors and provide a sense of privacy and personal space that is often sought after in student accommodation.

The property features two shower rooms, one located on the first floor and the other on the second, which offer practicality and convenience. Less need to worry about morning queues before lectures!

In addition, this property boasts an open-plan kitchen/living room. This communal space is perfect for socialising, studying, cooking and relaxing. Its open layout encourages interaction with housemates, making it a great place for students to bond and create memories.

The location of this property is almost as impressive as the property itself. It has excellent public transport links, making travel to and from university campuses or into town a breeze. It's also in close proximity to local amenities, so students won't have to travel far for their daily essentials or leisure activities.
