Located in the heart of Heald Green village, with access to excellent travel links to neighbouring towns and cities and only minutes from Manchester Airport. The area is the perfect location for a wide range of buyers and can be found within a close proximity to local landmarks such as Quarry Bank Mill and Lyme Park. Bruntwood Park is also positioned close by and offers a lovely café, pitch and putt course and a BMX racetrack.

There are two, four bedroom detached properties and six, four-bedroom semi-detached properties. This fabulous semi-detached is set over three floors and built to the highest standard with a contemporary open-plan living space with a modern kitchen that houses integrated appliances including fridge/freezer and induction hob. The ground floor further benefits from double French patio doors leading out to a South Facing rear garden, and a WC.

The first floor accommodates two bedrooms and the modern family bathroom suite. The second floor boasts two further bedrooms alongside a contemporary shower room.

The garden offers a south-facing aspect and is mainly laid to lawn and enclosed by wooden fencing. To the front there is a stone driveway providing off-road parking for two vehicles alongside an electric charging point.
