Beautifully presented, deceptively spacious, and A SIMPLY FABULOUS FAMILY HOME! Boasting no less than FOUR RECEPTION ROOMS with a sleek and modern kitchen and large utility store, this home provides superbly flexible accommodation that will suit every family and allow them room to grow. Sitting close to highly sought-after schools, convenient local amenities and excellent transport links including Bramhall Train Station.

Sitting on the ever-popular 'Dairyground' estate in Bramhall, is this super four bedroom link-detached home. Sat behind a driveway and low-maintenance front garden, there is a small entrance porch that leads into a welcoming hallway with two storage cupboards and turning staircase. A modern kitchen sits to the first right off the hall and opens into the sitting room. The sitting room boasts patio doors leading out to a large decking in the garden, a brilliant space for al-fresco dining in the warmer months. There is also a large utility room off the sitting room that provides excellent storage and access to the driveway. Back into the hallway there are two further reception rooms; a dining room and a large living room that spans the width of the house and provides further garden access outside via patio doors, as well as access into the home office. The home office has plenty of electric points and heating, and a door leading out to the garden. The ground floor is completed by a WC.

At first floor level are four bedrooms and two bathrooms. The bedrooms are made-up of three doubles and a single, with the master bedroom and bedroom two sharing a sleek and modern en-suite shower room. Bedroom one also boasts an array of fitted wardrobes. The family bathroom is another modern suite with wash hand basin, WC and a bath with shower over. There is also fitted storage off the landing and the attic is fully boarded with sprung ladder access.

Externally the rear garden is split into two parts. There is a large decking off the house that leads on to a low-maintenance artificial lawn. A further walled garden sits beyond this and provides a second artificial lawn surrounded by decorative flower beds. The garden is fenced on all sides.
