High Street North | Stewkley Leighton Buzzard | LU7 0HH Guide Price £650,000

Guide Price - £650,000 - £675,000 - Nestled in the heart of the desirable Buckinghamshire village of Stewkley, this charming and deceptively spacious detached family home is steeped in local history and full of character. Originally built in the late 1800s, the property once served as the village post office until 1964 and has since been fondly remembered by locals as both the Post Office and, later, The Wool Shop. Today, it presents as a thoughtfully updated family home that blends its rich heritage with modern comforts. Inside, you'll find four well-proportioned double bedrooms, a dedicated office (easily a fifth bedroom), and living space ideal for both family life and entertaining. The interiors are warm and welcoming, with a carefully considered layout and stylish finishes throughout. Outside, the rear garden has been fully landscaped to offer a peaceful retreat, featuring brand-new composite decking, new fencing, a large shed, a greenhouse, and beautifully planted borders. This is a home that offers both history and heart in one of the area's most sought-after villages.
