## THE LOCATION

**The building occupies a prominent mid-terrace position in Grosvenor Gardens, an established commercial location bordering Victoria and Belgravia.**

The micro location benefits from the green open spaces of the Royal Parks interconnect with the commercial district of Victoria and affluent neighbouring areas of Belgravia, Knightsbridge, St James's and Mayfair, to create a dynamic location.

Victoria has witnessed unprecedented regeneration of its office market over the past 20 years, notable developments include Nova, Cardinal Place, Orchard Place, The Ice Factory, 46-48 Grosvenor Gardens and Sky Hub. The submarket is experiencing further redevelopment with 105 Victoria Street underway, which will provide a new 470,000 sq ft mixed use scheme. 40 Broadway is currently under development and will provide 100,000 sq ft of Grade A office accommodation, due to PC in early 2025. Refurbishment plans for 171 Victoria Street are underway, whereby the scheme will likely increase the massing and reposition the existing asset.

The Peninsula London, opens its doors in September 2023, and will offer guests a new 5-star luxury hotel in Belgravia, overlooking Hyde Park Corner and Wellington Arch. The Cleveland Clinic opened in March 2022 at 33 Grosvenor Place and provides outstanding patient care and a pioneer in many medical breakthroughs.

The Victoria residential market has always benefited from its close proximity to the prestigious Belgravia and Knightsbridge residential addresses. Grosvenor Gardens will be dramatically enhanced by 8 Eaton Lane, an island site, which will provide 42 luxury residential apartments and 7 ground floor retail and leisure units. This will further establish Grosvenor Gardens as a notable Belgravia address.

9-11 Grosvenor Gardens benefits from the excellent transport network that Victoria has to offer, with Victoria Station only 300m away, whilst also just a short walk from the exclusive retailing, bars and restaurants of Belgravia and Knightsbridge.

## SITUATION

9-11 Grosvenor Gardens occupies a mid-terraced site in Victoria with rear access from Grosvenor Gardens Mews East.

The building is close to the heart of the amenities that Victoria offers with Victoria Station only 300 metres to the south and the amenities on Victoria Street 450 metres to the east. Both Buckingham Palace Gardens, The Goring Hotel and the new 8 Eaton Lane development are just around the corner whilst Land Securities' mixed use Nova scheme on Buckingham Palace Road is a short walk to the east.
