## RESIDENTIAL OPPORTUNITY

Planning consent was granted in 12 July 2016 15/06951/ FULL for use of the building to provide 27 residential dwellings. Alterations at basement level to provide five car parking spaces, alterations to the rooftop plant areas and elevations at fifth floor level. This has since lapsed.

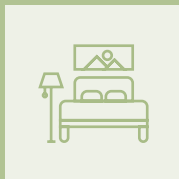

Under Class MA Legislation, there is the potential to convert part of the building under General Permitted Development. We have consulted with BM Architects and H Planning, who can provide further advice.
