The Heart of the Home: Open-Plan Living

Step into The Chandler and discover a space that truly brings people together. At its centre lies a beautifully designed open-plan kitchen and dining area, thoughtfully arranged in a sleek U-shaped layout. Whether you're hosting a lively dinner party or preparing a quiet family meal, this stylish space combines form and function effortlessly.

The adjoining dining area is generously sized, ideal for gathering around the table with family and friends. Elegant French doors lead directly to the rear garden, flooding the space with natural light and creating a seamless flow between indoors and out. It's perfect for summer barbecues, relaxed evenings, or simply keeping an eye on the kids as they play outside.

Private, Cosy Retreats

Need a quieter moment? At the front of the home, the separate living room offers just that-a calm, inviting space where you can relax, unwind, and enjoy the warmth of the large bay window. Whether it's movie night or a peaceful afternoon with a good book, this room is your own personal retreat.

Practicality is also built into every corner, with an understairs storage cupboard and a conveniently placed cloakroom near the entrance-ideal for tucking away coats, shoes, and everyday essentials.

Stylish Bedrooms & Smart Storage

Upstairs, the master bedroom is a true sanctuary, complete with a sleek en-suite shower room for added privacy and comfort. Two further bedrooms offer flexibility for your lifestyle-use them as children's rooms, a guest space, a home office, or even a creative studio.

The family bathroom is well-appointed and centrally located, while two extra storage cupboards upstairs help you keep everything neatly in its place. Whether you're growing a family or just looking for more breathing room, The Chandler adapts to your needs.
