# 12 Metford Road Redland, Bristol, BS6 7LF

A stylish and extended three bedroom home in the Redland Green APR.

A pathway leads through the neatly tended front garden to the main entrance. An enclosed storm porch conceals an inner door which opens into a light and bright hallway. The living room has a half bay with double glazed windows, a stripped wood floor, picture rail, built in shelving and a cast iron log burner.

The kitchen is fitted with a range of modern shaker style units with integrated appliances, a composite worktop and a peninsula return which connects the adjacent dining area and has room for bar stool seating beneath. There is plenty of space for a dining table with an original fireplace providing a focal point. A smartly fitted wood effect floor runs through into the sitting area which has a lantern sky light window and glazed doors which pull in lots of natural light and bring inside to out. Tucked away beyond the kitchen is a useful utility room next to a shower/wet room and w/c with an additional access point into the garden beyond.

A staircase with storage beneath leads up to three bedrooms and a family bathroom. The master bedroom is at the front of the house and is decorated and carpeted in a neutral colour scheme with the original picture rail and fireplace retained, with two double glazed windows. The adjacent second bedroom carries a similar decorative theme with light sage green walls, a neutral carpet with a retained picture rail and double glazed windows overlooking the garden. The third bedroom is decorated in a warm grey, with a neutral carpet and a double glazed window facing the front.

The family bathroom completes the accommodation and has been smartly fitted with a modern white suite to include a bath with shower over, basin with a vanity unit beneath and a closed coupled w/c.
