Wainwrights are pleased to share with you the new Willerby Manor Lodge located on the desirable adults only Oaks Holiday Park in the village of Bucklesham. A well-appointed 38ft x 12ft interior, the Manor offers a light, bright and spacious living area, providing the perfect setting for a relaxing break away with family and friends. Its distinctive grey cladding and graphite door and window frames give this home a truly unique and striking exterior appeal making you the envy of your neighbours.

The Manor enjoys the warmth and convenience of gas central heating. The UPVC double glazed windows and doors continue with the contemporary feel but also contribute to energy efficiency. The Willerby Green Standard ensures all windows and exterior doors upgraded to LOW-E Argon. LOW-E is a special coating on the glass and Argon is a denser gas than air.

A holiday home with the Willerby Green Standard will keep you warmer for less in winter and help you to stay cool in summer. It's a great way to keep your energy bills down in a turbulent energy market, helping you reduce your carbon footprint and do your bit in the fight against climate change.
