Referral Fees

We can confirm that if we are sourcing a quotation
or quotations on your behalf relevant to the costs
that you are likely to incur for the professional
handling of the conveyancing process. You should
be aware that we could receive a maximum referral
fee of approximately £175 should you decide to
proceed with the engagement of the solicitor in
question. We are informed that solicitors are happy
to pay this referral fee to ourselves as your agent as it
significantly reduces the marketing costs that they
have to allocate to sourcing new business. The
referral fee is NOT added to the conveyancing
charges that would ordinarily be quoted.

We can also confirm that if we have provided your
details to Infinity Financial Advice who we are
confident are well placed to provide you with the
very best possible advice relevant to your borrowing
requirements. You should be aware that we receive

a referral fee from Infinity for recommending their
services. The charges that you will incur with them
and all the products that they introduce to you will in
no way be affected by this referral fee. On average
the referral fees that we have received recently are
£218 per case.

The same also applies if we have introduced you to
the services of our panel of surveyors who we are
confident will provide you with a first class service
relevant to your property needs. We will again
receive a referral fee equivalent to 10% of the fee that
you pay capped at £200.00 This referral fee does
not impact the actual fee that you would pay had
you approached any of the panel of surveyors
directly as it is paid to us as an intermediary on the
basis that we save them significant marketing
expenditure in so doing. If you have any queries
regarding the above, please feel free to contact us.
