### Misdescription Act 1991

The Agent has not tested any apparatus, equipment, fixtures, fittings or services, and so does not verify that they are in working order, fit for their purpose or within the ownership of the seller. Therefore, the buyer must assume that the information given is incorrect. Neither has the agent checked the legal documentation to verify legal status of the property. Buyers must assume that the information is incorrect until it has been verified by their solicitors or legal advisers.

The measurements supplied are for general guidance and as such must be considered incorrect. A buyer is advised to re-check the measurements him/herself before committing to any expense. Measurements may be rounded up or down to the nearest three inches, as appropriate.

Nothing concerning the type of construction or the condition of the structure is to be implied from the photograph of the property. The sales particulars may change in the course of time and any interested party is advised to make a final inspection of the property prior to exchange of contracts.

### Council Tax

The council tax band for the property is 'D' and the local authority is Shropshire.

### Services

We have been informed by the seller that the property benefits from mains water: mains drainage: gas central heating. We have not tested any services, therefore no warranty can be given or implied as to their working order.
