## PROPERTY

Offered with no onward chain, a luxury two-bedroom apartment on the fourth (top) floor of this converted former Eli-Lilly pharmaceuticals building, conveniently situated within walking distance of the town centre and railway station.

The conversion of this historic landmark was overseen by Messrs Barratt Homes in 2019/2020 and has retained and enhanced the classic 'Art-Deco' styles and architecture to an exceptional standard. These styles are expertly encompassed with the main foyer area on the ground floor entrance to this building. This spacious top-floor luxury apartment comprises a generous hallway, leading to the kitchen/living room, two good sized double bedrooms, a bathroom, storage cupboard/plant room and very useful internal room which is currently arranged as a spacious study. The sitting room and both bedrooms have an elevated outlook to the north of Basingstoke town centre over the communal grounds.

Within the complex, residents can benefit from the excellent communal facilities which include a large patio terrace with seating over the underground

car park for those relaxing summer days and evenings. There is an allocated parking space plus access to visitor's permits for additional parking.

### LOCATION

The property is situated on the northern edge of Basingstoke town centre close to amenities in South View. The town centre is easily accessible by foot within minutes, together with all other major central facilities and amenities. There are also excellent transport links via the A339, A340 and M3 junctions 6 and 7.
