OUTSIDE

The rear garden is a delightful feature facing approximately West but with the South Westerly aspect open allowing Sun to come into the garden most of the day. Immediately abutting the rear of the property is a good sized area of paved patio allowing for outside dining with a small, well maintained area of lawn adjacent. The rear garden is enclosed by timber panelled fencing to three sides and benefits from a large storage workshop with power and light as well as a smaller shed and The Bar. The Bar is a recently constructed addition to the property benefitting from power and light and can suit a variety of uses although is currently set up as a leisure area for the Vendors. This adjoins a good sized area of composite decking with LED uplights which can house a good sized external seating arrangement. To the side of the property there is then access to each side which in turn leads to:

THE APPROACH

This has been laid to paving and block paving to provide off road parking for two/three vehicles with an area of lawn and low maintenance shrub borders and a pea gravel pathway in turn leading to the front door. There is a partially covered canopy style area which can house a bench seat, perfect for enjoying the birdsong and a morning cup of coffee.

DIRECTIONAL NOTE
